Dear Board of Directors,

On behalf of Cornerstone Therapeutic Riding Center's Board of Directors, students, and volunteers, I would like to extend a heartfelt "thank you" for your generous donation of \$250.00 to Cornerstone Therapeutic Riding Center.

Your generosity plays such a big role in the growth and success of Cornerstone and we couldn't be more appreciative. Your support allows us to add new students and horses and is extremely helpful in offsetting the costs associated with the health care, feeding, and maintenance of our wonderful horses. It is thanks to individuals like you that we are able to provide a life changing haven for people with special needs. Your generosity allows us to offer a warm and welcoming environment that enriches the experience for not only our students but for their families as well.

Whether we are working with our wounded warriors, children with Down Syndrome, autism, cerebral palsy, or adults with spinal cord injuries or traumatic brain injuries, you can know that you have made HUGE impact in their lives through your kindness and generosity and that we are deeply grateful for your generosity and support.

I would like to extend a personal invitation for you to take a private tour of our facility and to experience first hand the magic at Cornerstone and to see how your contribution is making a difference.

Many blessings,

Judy Beckett
