Dear Ms. Halliday:

Thank you for your recent contribution of 60 Trauma dolls to Rady Children's Hospital-San Diego. Your generosity and compassion will touch the lives of the children and families in our care.

Rady Children's is the only designated pediatric trauma center both in San Diego and Imperial Counties. All trauma patients under the age of 15 are transported to the Sam and Rose Stein Emergency Care Center at Rady Children's. Our highly-trained team of specialists cares for approximately 1,400 trauma patients each year, providing integrated services including pre-hospital care, resuscitation and stabilization, surgical intervention, inpatient critical care and specialty care, rehabilitation and outcome analysis.

Every gift that we receive plays a very special part in helping us to create the "total healing environment" that is so important to the unique structure of Rady Children's Hospital-San Diego. Whether it is a specialized piece of equipment, some crayons and a coloring book for the child waiting to be seen in a clinic, or a special doll to help a child understand what will happen to them in a surgery, every gift is a part of the system designed to help a child get well and stay well.

On behalf of all of us at Rady Children's, thank you for your thoughtfulness. We are truly grateful for your contribution.

~
