Members of the Kiwanis Club of Ramona:

I would like to extend our most sincere appreciation to your members for taking the time to get our students much needed school supplies.

The students who received the school supplies were very excited. Thank you for giving them the opportunity to have much needed school supplies which will help them have a successful year. During these difficult financial times, it is a blessing to receive the help.

The teachers were very pleased with the much needed tissue boxes and disinfectant wipes. They go through these items very quickly and are things that they usually supply for their kids out of their pockets.

Again, thank you and God Bless.

Sincerely,
